Section J GUARANTEES

J.1 TRUSTEE'S SALE GUARANTEE

A trustee's sale guarantee is issued for the benefit of a trustee or attorney in connection with a proposed foreclosure of a Mortgage.

The charge for a trustee's sale guarantee shall be 90% of the Basic Rate based upon the amount in default. The charge includes six date-down reports within a period of 36 months, not to exceed more than two per 12 month period, from the date of original guarantee. Additional date-down reports may be made at a charge of \$30 per date-down. At the conclusion of 36 months following the date of the original guarantee, the guarantee is expired.

If a trustee's sale guarantee previously issued by the Company is reissued as a litigation guarantee or vice versa, or is reissued for the benefit of a newly substituted trustee, an additional charge of \$25 shall be made for the reissuance.

The trustee's sale guarantee is issued for the benefit of the trustee or attorney only and shall not be used as a means of providing insurance for the recordation of the trustee's deed, or deed in lieu of foreclosure.

No portion of the charge for a trustee sale guarantee shall be applied as a credit on a subsequent Owner's Policy covering the acquisition of property through the trustee's sale, judicial foreclosure or deed in lieu of foreclosure, or on a subsequent Loan Policy covering a new loan or reinstatement of the loan under foreclosure.

On multiple deeds of trust covering land within the same plat or subdivision in a single ownership where the beneficiaries are the same and the purchasers at the sale are the same, the charge for multiple trustee's sale guarantees issued concurrently under this subsection may be based upon the aggregate amount of the loans, plus \$25 for each Mortgage or guarantee issued over one.

J.2 LITIGATION GUARANTEE

Litigation guarantees are issued for the purpose of instituting legal proceedings in connection with quiet title actions, partitions, or other matters of litigation or for the foreclosure of various types of liens or assessments.

The charge for a litigation guarantee is 100% of the Basic Rate, based upon the Fair Value of the particular estate or interest involved. A charge of \$30 applies to each date-down guarantee over one issued within a period of 24 months after the original guarantee to cover the filing of a lis pendens. After 24 months, the litigation guarantee expires and cannot be continued. Any new guarantee requested following expiration of an existing guarantee is subject to the charge set forth in this Section.

J.3 CONTRACT FORFEITURE GUARANTEE

A contract forfeiture guarantee is issued in connection with a proposed forfeiture of a real estate contract and includes a full examination of the record title, and the mailing addresses of certain parties as shown by the public records. The charge for a contract forfeiture guarantee shall be 100% of the Basic Rate based upon the amount in default. This charge includes two date-down reports within a period of 12 months from the date of original guarantee. Additional date-down reports may be made when called for at \$30 per date-down. At the conclusion of 12 months following the date of the original guarantee, the guarantee is expired.

J.4 RECORDED DOCUMENT GUARANTEE

The recorded document guarantee is based upon an examination of the Company's title plant records as to certain designated documents which describe the subject real property. Date-downs are not available for this guarantee. The amount of insurance shall be \$3,000.

- (a) If the Company has an open order placed by the applicant on the subject property for the purpose of insuring title, the charge for the recorded document guarantee shall be \$150 for Residential property and \$500 for Commercial property.
- (b) If the Company does not have an open order placed by the applicant on the subject property, the charge shall be as follows:
 - (1) Deeds and Leases Only: If the requested guarantee will pertain only to deeds and leases, the charge is \$200 for a single Residential parcel or \$500 for a single Commercial parcel, plus (1) \$100 per contiguous parcel over one (non-contiguous parcels must be covered under a separate guarantee); (2) \$2 for every year that title records are searched (for example, 50 years = \$100); and (3) \$4 for each abstracted document.
 - (2) All Documents: If the requested guarantee will pertain to all recorded documents, the charge is \$300 for a single Residential parcel or \$500 for a single Commercial parcel plus (1) \$150 per contiguous parcel over one (non-contiguous parcels must be covered under a separate guarantee); and (2) \$2 for every year that title records are searched (for example, 50 years = \$100); and (3) \$4 for each abstracted document.

J.5 LOT BOOK GUARANTEE

The charge for a lot book guarantee is \$75 per parcel for furnishing the last recorded instrument purporting to transfer title and any Mortgages affecting the property. The amount of insurance shall be \$100 per parcel.

J.6 COMBINATION GUARANTEE

A combination guarantee includes the coverage provided in a lot book guarantee issued under Section J.5 above and also reports on all federal tax liens, judgments and state tax warrants on specific named parties and for a requested time period. The guarantee may be issued for a charge of \$75 per parcel plus \$75 per name (spouses married to each other considered one name), plus \$5 for each lien over two reported. The amount of insurance shall be the next multiple of \$100 above the charge for the guarantee.

For example, if there are two parcels, one name, and two liens, the charge would be \$225, and the amount of insurance would be \$300.

J.7 SUBDIVISION GUARANTEE

A subdivision guarantee is issued for the purpose of providing title evidence as may be required when subdividing land pursuant to the provisions of Chapter 58.17, R.C.W. The subdivision guarantee is based upon an examination of the Company's title plant records and those records indexed by name. The charge for the subdivision guarantee is \$350 for Residential property and \$750 for Commercial property. The guarantee expires at the conclusion of 12 months from the date of the original guarantee for Residential property and at the conclusion of 36 months following the date of the original guarantee for Commercial property. A charge of \$30 applies to each date-down over three issued within a period of 12 months after the original guarantee. The amount of insurance shall be \$2,000.
